

## PRIVATE LESSON PRICING

### BASE RATE FOR ONE LESSON (TRY-IT or DROP-IN):

**\$65 per 1 hour lesson**  
**\$50 per 45 minute lesson**  
**\$35 per 30 minute lesson**

Want to “try-it” with an instructor? Sign up and pay the base rate for your time slot. Once you decide whether you like it or want to try something else, we will deduct the balance of your try-it from the annual, semester fee, or drop in package you choose. Alternately, want to just do a few drop in lessons when you need them, this is the rate to use everytime you make payment for your class. You must enroll and pay for 12 or more lessons to receive the less expensive academic rate.

### REDUCED RATES:

Our standard enrollment is for one year of three or four 12 week sessions. Returning students from the previous academic year who enroll for a full year receive an additional \$10 discount with their full year payment. You can also enroll just for a 12 week session, or sign up for a “drop-in” (1 to 11 sessions) or “try-it” (one session).. The more time you commit to in advance, the better the price! See below for specific plans.

### YEARLY ACADEMIC RATE:

Those who register for the year and either pay the full amount or sign up for the monthly credit card payment option (email [diane@steelriver.org](mailto:diane@steelriver.org) for information on the credit card payment plan) receive the best rate as you reduce our paper trail and assure that our instructors have a set schedule for the year! THANK YOU. The reward for your commitment is a substantially reduced payment per class.

Students may schedule makeup lessons during these off weeks at the discretion of the teacher. The best price is to schedule for the academic year, but there are also discounts for registering by the semester.

### **DROP-IN and TRY-IT**

We know that sometimes you just want to work with someone for a short time as you prepare for an audition or are working to get into school. We welcome drop in vocal, instrumental and acting students when our instructors have time to accommodate you. So if you want just one lesson, we will work to fit you in! The base rate will be charged for a single lesson, and the base rate is also the cost for a try-it, unless you end up enrolling. If you enroll after a try-it, don't forget to calculate your full year payment by choosing that amount and then deducting the amount you paid for your try-it.
